CHAPTER 14

MADE EASIER

MAINTENANCE & CARE

The simple version

• The idea in a flash

A little care today prevents big damage tomorrow.

Oil ▸ **Filters** ▸ **Fluids** ▸ **Checks**

Just 5 things

1. 🛢️ **Oil is the engine’s lifeblood.**
2. 🌡️ **Fluids: coolant, brake and gearbox.**
3. 🛞 **Check your tires.**
4. 🚦 **Never ignore a warning light.**
5. 🕵️ **Inspect a used car before buying.**

• 5 words are enough

Word	What it means
Oil	Protects the engine.
Filter	Cleans the oil or the air.
Battery	Starts the car.
Warning light	The car is complaining.
Service	Inspection and changes on schedule.
